Making a Difference

We are delighted by the enthusiastic and growing response that our Classic & Sports Car Rally has received. By joining with us, and becoming our partner, you can help us help those children most in need of support. We believe our success is attributable to the fact that individuals, businesses and organizations alike, have found a common bond in our mission and gain satisfaction in knowing that they are playing a vital role in making a positive difference in the lives of children with special needs and disabilities and their families.

I can't say enough fabulous things about Alternatives For Children. My son started at 3 1/2 years old and has made so much improvement. I can't thank the team enough.

Everyone at the school has been incredibly helpful and it has been an amazing process from beginning to end. My son graduates this year and I am going to miss everyone so much. Thank you again for all your help.

Alternatives For Children extends our thanks to our 26th Annual Classic & Sports Car Rally Event Sponsor
